It shows a lack of courtesy to those watching. Please no Videos or Pictures during the RECITAL.

Dancers are not allowed in the auditorium during the Recital.

SECURITY

During the Recital there will be Security Guards in different areas of the Auditorium and the Hallways. One Security Guard will be in place at the Dressing Room Entrance to check for the Security Bracelet that ONE Parent/Guardian must wear to pick up their child.

AUDITORIUM

Doors to the auditorium will open approximately 30 minutes prior to the start of each show. All seats are RESERVED SEATING. You will need your tickets to enter.

***DANCERS ARE NOT ALLOWED IN THE AUDITORIUM DURING THE RECITAL!**

DRESSING ROOMS

Please discuss with your dancer how to behave in the Dressing Room. NO Running, No food or drink. Please be respectful of the “Supermom” who volunteered to help with your class.

It is OK to bring items to keep your dancer busy while they wait their turn on stage, however, we encourage you to put your name & phone number on everything. Please leave anything of value at home. Your Dancer must always stay with their dance group.

The “Supermoms” will be informed of what to do and what to bring in order to keep the group “entertained” while they wait.

*****ONLY ONE PARENT/GUARDIAN WHO IS WEARING THE SECURITY BRACELET GIVEN TO THEM AT CHECK IN MAY RE-ENTER THE DRESSING ROOM TO SIGN THEIR DANCER OUT. *****

OTHER FAMILY MEMBERS MUST WAIT IN THE LOBBY AREAS.

This helps keep the traffic to a minimum in the dressing rooms and is another way to keep our dancers safe.

Men are not allowed in the Dressing Rooms.

TICKET SALES/PICK-UP

In order to reserve your tickets, your dance account must be paid in full. Information on how to reserve your tickets will be emailed once ticket sales begin in mid May.

SUPERMOMS

We would like to thank all of our Supermoms for volunteering this year. It will make the show run much faster and smoother with your help. Supermoms will be in the auditorium with your dancer’s class for the Dress Rehearsal while they wait their time to practice. However, you are responsible for your dancer that evening. During the RECITAL, the Supermom will be in the Dressing Room with your dancer until you check him/her out.

A Dance Instructor will call your dancers class name over the microphone when it's time to line up back stage. They will line up in the hallway behind the stage and wait their turn to dance.
